

## EH&S Policy

Here at LG Chem, we recognize that EH&S is the fundamental element for securing differentiated competitiveness. For continuous improvement on EH&S performance, LG Chem will be committed to implementing the following guiding principles.

- We will comply with all applicable EH&S legal requirements and establish leading corporate EH&S rules and best practices.
- We will improve our EH&S level continuously by establishing the safety and health system that identifies and improves the potential risks in advance.
- We will drive continuous innovation throughout the entire life cycle of operation to supply environmentally-friendly products and services.
- We will provide a safe and healthy work environment and ensure the principle-adhering corporate culture.
- We will support business partners and local communities to improve their EH&S practices as our social responsibility.
- We will communicate our EH&S policies and programs with stakeholders.

To ensure compliance with this policy, we will consider EH&S as the top priority in all our business activities.
